Come Full Circle

By Susan Bratton
Hey baby, I'm almost home. Why don't you put on something sexy... so I can make you.....

"Come Full Circle!"

I know exactly what to wear. And I cannot wait to see you... and feel you.

Almost ready....
1. Start in Missionary position. This is your moment to connect eye-to-eye and heart-to-heart.

2. She extends her left leg on his right shoulder.

3. She moves her leg to his left shoulder.

4. She rotates onto her right hip and her left arm reaches across her body.

5. Rolling further onto her right hip, her left leg is bent, allowing him to penetrate her deeply. His thrusts stimulate the sides of her vagina.

Mmmmm... Yes, baby... I love the way you feel inside of me.
She rotates further so that her right leg is now on the bed.

7. He spoons her and kisses her neck.

8. He now straddles her, his knees on either side of her thighs, her legs are together.

oh yess... so deep.
She comes up onto her knees. His hands on her hips, he pulls her toward him into full doggie-style.

I love it when you get so wet.

Oh baby... give it to me...
He straddles her left leg as she rotates and begins to raise her right leg.

He's now kneeling on the bed as he lifts her right leg and places it on his right shoulder.

She continues to rotate and he places her right leg on his left shoulder.

She's now completely on her back. Both her legs are on his shoulders, looking into each others' eyes.
He rolls her to the side, their legs are intertwined.

She begins to roll on top of him.

She's on top in a cowgirl position now and enjoys riding him with some long, slow strokes.

Oh sweetheart! You make me feel beautiful!

You are so beautiful!

She sits back on her haunches.
She begins to rotate on top of him.

He cups her ass to help her turn.

Spin me on your beautiful cock, baby!

She enjoys the feeling of his hard cock against her g-spot in reverse cowgirl and loves how he can fondle her breasts here.

Even wetter...
She leans forward and loves how she is in control of her pleasure.

Oh yessssss... right there...
Spin me back around, baby.

22
She continues to move around the circle and loves how his cock feels swirling inside her pussy.

23
She's tantalizing him in sidesaddle cowgirl.

24
Back to cowgirl.

Your heart is pounding like mine.
Ending in a full circle straddle by leaning back where he's hitting her g-spot just right!

Oh yes baby!
Right there!
You feel incredible!

You are incredible!
